

Diabetes IPE e-learning course

Pre-course activity (4 hours)

Purpose

To familiarise yourself with the subject prior to commencing the e-learning course.

Task

Review relevant uni-professional learning e.g. uni-professional lectures and seminars relating to diabetes. This can include lectures on anatomy, physiology, aetiology, clinical management etc. Some general references have been included in the resources/references section of this pack. We advise that you refer to the most up to date guidance and documents relating to the topic.
